Dear Wallcut

As I didn't get my Lib^s
as usual at noon, I made
inquiry for them when I went
to the Post off. this evng. - The
P.M. said that "A Liberator, the
usual number, had come, but
with strange names," & he had
laid them aside. - I took the
names, & mention them to you, that
you may guard agst. another error
of the sort; (I doubtless on Leicester
papers went where these Sh^s have
gone;) vizt. C. T. Hanson, Sentinel,
H. L. Sherman, W. S. Henderson,

I advised the P.M. to distribute
these 4 among the Secls. here, and
he has done so —

37 I have requested Heywood
to call an Exec. Comtee. meeting
for Wednesday next, 11 o'clock, or
any more convenient hour. On
acc^t. of Fast, I suppose the hit
will be out a day earlier next week,
and so Mr. G. can attend a meetg.
that a.m. — If Heywood
is not in town, please see that
the meetg. is duly called, and
if there is business for Mass. Board
you can call them too,

Truly Yrs. S. May Jr.
